A screenshot of the Visa Booking System search interface. It features a "Select Country" dropdown menu with "All" selected, a "City" input field with the placeholder "Insert a city name", and a red "Search" button. Below the search fields, there are two panels. The left panel displays information for "Abu Dhabi", including the location "Level B2 (Lower Ground), The Mall, World Trade Centre, Khalifa Bin Zayed The 1st Street (Airport Road), Abu Dhabi UAE", the operating hours "Monday to Friday 09:00am to 17:00pm", and a "Contact Form" link. The right panel shows a map of Abu Dhabi with a location pin and the same text as the left panel.

Please be advised to review current processing times as per your visa category and plan your application accordingly to ensure timely receipt of your visa.

If you're ready to arrange your visa application appointment, see below to begin the next part of the process.

If you are applying for a work permit; please ensure that you have your work permit number ready before starting the process.

For an appointment within 72 hours, please pick the "Extended" appointment category. Standard appointments are available after 21 working days.

If you are applying for the Family Re-unification visa, you are required to validate your Re-unification certificate before booking an appointment to apply for the visa. [Click here](#) to begin your validation journey.

We recommend you to pick standard appointment category. If your file is ready to submit and all the documents are updated, then extended appointment category is recommended. Please note that the extended category fee is more than standard category fee.
